

How can we save money?

We love to work within your budget and offer everything from a simple brunch buffet to an elegant blacktie affair. Saving money is determined by the type of event that you desire.

We don't see it on your menu. Can you make it?

Of Course! Fusion Catering is more than happy to customize a menu or dish for any occasion or event.

Can you provide vegetarians meals?

Absolutely! We have a wide variety of delicious vegetarian entrees, hors d'oeuvre, platters and side dishes.

We are inviting Children?

Create a special menu just for them such as chicken tenders and French fries. Or personalize a coloring book to keep them entertained.

How can we have a great look for tableware but don't want to hassle with renting china and glassware?

Check out our selection of square disposable plates that are available in different colors and silver disposable cutlery, that looks like the real thing.

We are having a buffet but would like a formal setting?

Place personalized menu cards at each table setting. Serve your salad and have a chef carved entrée on your buffet.

Planning a Cocktail Hour?

Fusion recommends 3 – 5 pieces per person.

Looking for creative dessert ideas?

How about... A chocolate fountain with all of your favorite accompaniments or martini glasses filling with creamy mousse and fresh fruit.

We want to know what the food tastes like before we place an order?

If you are a first time client, Fusion would love the opportunity for you to sample what we have to offer.

Call Fusion Catering today to schedule a complimentary tasting. Be sure to check out our Venues and Services on our website!
